

WALK CHURCH

2015 MISSION PROJECTS

GOALS

While in Las Vegas, we hope to accomplish the following goals:

- **PRAY CONTINUOUSLY** | Prayer walks, prayer gatherings, personal prayer times, and daily prayer at 2:06 (Based off Colossians 2:6)
- **BUILD RELATIONSHIPS** | Las Vegas is a very relationally driven city – be ready to build relationships both in the city and with our WALK team
- **ASSIST IN DISCIPLESHIP** | Come prepared to engage in discipleship with those who are currently a part of our WALK fellowship
- **BLESS THE CITY** | Part of our mission at WALK Church is to see the city of Las Vegas redeemed and we want you guys to get in on our mission while you're here
- **CATCH THE VISION** | Press into Christ and allow Him to give you a heart for the city and the people of Las Vegas, NV

PROCESS

FINALIZE NUMBERS

To best accomplish our goals in Las Vegas, as well as personalize and maximize each trip, we recommend sending a team of **5-20** people (20 max).

SCHEDULE

When planning for the mission project, we recommend at least three full days of ministry. We also think it is beneficial to have one free day (or partial day) to aid in the team's understanding of the city of Las Vegas.

PURCHASE FLIGHT TICKETS

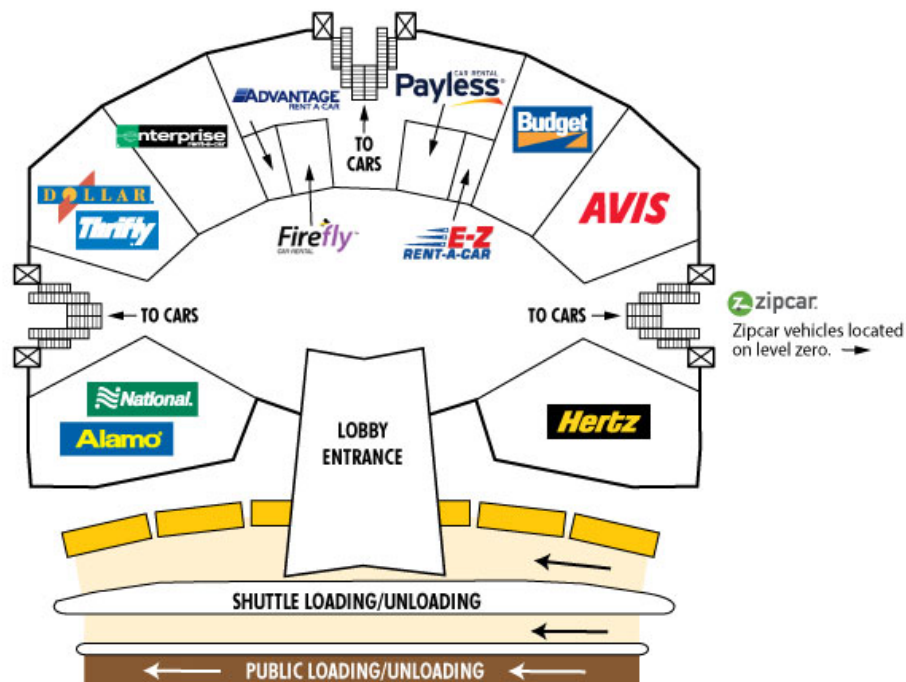

We recommend that you purchase flight tickets as soon as possible. However, we have found that flights are most affordable 6-8 weeks in advance. Please communicate with us the times that you are considering arriving. This will affect transportation options & the itinerary. Once tickets have been purchased, your team will receive a general itinerary.

TRANSPORTATION

Public transportation in Las Vegas can be difficult to maneuver and taxi prices can get expensive quick. For this reason, we would recommend renting a car or van. If you have fewer than 8 people, we would be glad to assist in transportation to the scheduled destinations. However, renting a car/van will allow for more freedom and flexibility in traveling to and from the hotel as well as seeing the city.

CAR RENTAL

The McCarran International Airport offers a variety of car rental services available at the Rent-A-Car center located within the airport. Companies included: Advantage, Alamo, Avis, Budget, Dollar, E-Z, Enterprise, Firefly, Hertz, National, Payless, Thrifty, and Zipcar. For more information visit: www.mccarran.com/Go/RentalCars.aspx

The cost on the ground here in Las Vegas will be largely dependent upon the itinerary, hotel, and transportation selected by your team. We estimate the cost could be anywhere from **\$400-\$600** per person depending on the length of the trip.

ITINERARY

We will send the team a detailed, finalized schedule a couple weeks prior to the mission project. Below is a map of Las Vegas and surrounding areas. The blue arrow marks the areas where most of our efforts will be focused. This will help the team choose the best hotel and get an idea of the community we are focused on reaching.
