About the Family

Heiden and Neena Ratner grew up in Las Vegas, where Heiden currently serves as a church planter apprentice at Hope Church. Neena is a teacher at Hope Christian Preschool.

Heiden and Neena did not grow up in typical Christian households; however, God did a radical work in their lives during their early college years, and they have never looked back. Heiden and Neena established a lasting friendship during one of Heiden's first ever Bible studies in Las Vegas. Two years later they decided to turn their friendship into a relationship and on November 18, 2011, Heiden and Neena were married in Israel, where Heiden was playing professional basketball.

Heiden and Neena are excited about growing the Ratner family by one as they prepare for the birth of their first baby boy in April 2015. Heiden and Neena share a love for the people of Las Vegas and are excited to be part of God's kingdom activity in the city through planting WALK Church.

About the Church Plant

WALK Church is a church plant in the city of Las Vegas, Nevada. Heiden and Neena are the planters of WALK, alongside a team of disciples living on mission within the city. At WALK, we don't believe that Las Vegas is the city of sin, rather the city of Him, because God's grace and love are on display all around us.

Based on Colossians 2:6, WALK Church's mission is to free people to walk in Jesus. We truly believe that as we walk in Him, it will be Jesus who, through His church, changes our city in a real way.

We currently have four small groups meeting weekly, and it is our plan and prayer to multiply each group by at least one before launching public worship services in September 2015.
